Studio(s): [Weinstein](#) [7]

Genre: [Horror](#) [8]

Running Time: 94 Minutes

R

One word, boring. I went in expecting it to be a pretty bad movie, I mean come on it is about a girl that has teeth in her vagina. But I was thinking that there might be something to take from it, awesome death scenes, a campy funniness, something. Nope just a movie that felt much longer than it was and a waste of time.
