G

Woody the Cowboy, Buzz Lightyear, and the rest of their friends from the toy box return in this computer-animated sequel to the 1995 hit Toy Story. This time around, Andy, the young boy who is

---

the proud owner of most of our cast of characters, is off at summer camp, giving the toys a few weeks off to do as they please. Woody (voice of [Tom Hanks](#) [17]) is unaware that in the years since his model went out of production, he's become a rare and valuable collector's item. An avid toy collector (voice of Wayne Knight) decides that he wants Woody for his collection and swipes him, so Buzz Lightyear (voice of [Tim Allen](#) [18]), Hamm (voice of [John Ratzenberger](#) [19]), Rex (voice of [Wallace Shawn](#) [20]), Slinky Dog (voice of [Jim Varney](#) [21]), and Mr. Potato Head (voice of [Don Rickles](#) [22]) venture forth to rescue their kidnapped friend before Andy returns. Along with most of the original voice cast, composer Randy Newman returns with a new score and new songs.
