Matthew Broderick, in a role usually set aside for Bill Murray, plays Ben singer, a former children's folk singer whose jaded. To say he's jaded doesn't even do him justice. Ben may quite possibly be the most negative man in the world. Divorced and living with his Senegalese roommate Ibou Ben now works as a proof reader, a job he hates, and has a disconnected relationship with his daughter. When Ibou gets sick events begin to fall into place that help Ben find the path back to happiness. Can the most negative man in the world find his way?
