When Danny Ocean (played by Frank Sinatra) decides to pull off a robbery there's only one way he knows how to do this, by hiring 10 of his old friends from the 82nd Airborne division he served with in World War II. Though getting all 10 of these guys back together to do the biggest heist in the history of Las Vegas proves to be harder for Danny Ocean than he first thought it would be. With the help of his best friend Jimmy Foster (played by Peter Lawford), they are able to get the rest of the crew together so they can go to Vegas and rob 5 different casinos at the same time on the same night in Ocean's 11.
