**Running Time:** 102 Minutes

[Official Website](#) [10]

PG

The Cher/Nicolas Cage 1987 romantic comedy Moonstruck finally gets a Blu-Ray release and fans of the film won't be disappointed with the picture quality. Unfortunately the only upside is the picture quality. Bonus features haven't changed since the release of the two thousand and six deluxe edition release on DVD other than the package missing recipe cards. Still this is a worthy upgrade for picture alone.
