Studio(s): [Paramount](#) [7]

Genre: [Sci-Fi/Fantasy](#) [8]

Running Time: 201 mins

Discs: 1

[Official Website](#) [9]

My thoughts on this Best of set are pretty similar to my opinions of the corresponding [Next Generation disc](#) [10]. It's not a bad way to get introduced to the world of Star Trek (is there really anyone left on the planet who hasn't seen at least one clip of the original series?), though it leaves a lot to be desired at only four episodes.
