Joss meets Lost. Got the money? Then get the doll of your dreams. The Dollhouse takes volunteers, wipes their minds, and then imprints any ability or memory to custom tailor a doll for you. Need a trained FBI agent to track down a mole? The Dollhouse can deliver that. Need a dingbat gum chewing sex bot? The Dollhouse can deliver that. Need a hostage negotiator that won't get your little girl killed? The Dollhouse can deliver that.
