Director Robert Lukrtic and screenwriter Jason Dean Hall team up to adapt author Joseph Finder's novel centering on a likeable blue collar worker who becomes a corporate spy for a scheming CEO. Determined to make the most of his new job at Wyatt Telecom, Adam Cassidy (Liam Hemsworth) is horrified after a felonious mistake earns him the wrath of unforgiving CEO Nicholas Wyatt. Typically, Wyatt's first response would be to throw a law-breaking employee under the bus. But this time Wyatt is willing to cut a deal; should Adam agree to infiltrate Wyatt Telecom's chief rival, the CEO will turn a blind eye to his employee's error. In no time Adam is climbing the corporate food chain straight to the top. No one suspects a thing, and meanwhile Wyatt is gaining a distinct advantage over the competition. Later, upon realizing that his success is a mere illusion and that he's become a simple pawn in a much bigger game, Adam hatches an ingenious plan to get out of the game before it's too late.
