

I Love You, Man gets all over V-Day

The image shows a digital Valentine's Day e-card interface for the movie "I Love You, Man". On the left is a full-body photo of Paul Rudd in a grey sweater and jeans. On the right is a full-body photo of Jason Segel in a black t-shirt and jeans. The central red banner features the movie title "I LOVE YOU, MAN" in large red letters, with "Exclusive Valentine's Day Ecards" written below it. The main message reads "Happy V-Day, Bro" in white. Below this is a photo of three people at a restaurant table. At the bottom of the banner, it says "Happy Valentine's Day" and "IN THEATERS MARCH 20, 2009". There are two buttons: "SEND A V-DAY ECARD" and "ENTER SITE". A red heart icon contains the text "See the Valentine's Day Redband Clip HERE!".

All sorts of goodies coming your way from Dreamworks Pictures' upcoming comedy I LOVE YOU, MAN starring Paul Rudd and Jason Segel from, well, every decent comedy in the past 3 years.

First up, you can send out some digital Valentine's cards (get on it now and hope that your girlfriend will accept digitally acquired gifts for the big day.).

The image shows a "SELECT A CARD" screen for the movie "I Love You, Man". It features a photo of a man in a suit standing at a restaurant table with several people seated around it. The text "I LOVE YOU, MAN" is at the bottom left, and "It's Valentine's Day~ Return the Favor." is at the bottom right. The date "MARCH 20, 2009" is also visible.
