

## **Ed Harris to Play John McCain in HBO's 'Game Change'**

Four-time Academy Award nominee Ed Harris has been cast as presidential candidate John McCain in HBO's upcoming film, *Game Change*.

HBO Films and Everyman Pictures' *Game Change* follows McCain's 2008 presidential campaign, from

his controversial selection of Palin as his running mate to their ultimate defeat in the general election.

Julianne Moore is already on board to play former Alaska governor Palin.

The telefilm is based on the bestselling book of the same name by John Heilemann and Mark Halperin.

It will be directed by Jay Roach, with a script from Danny Strong. The pair previously collaborated on HBO's Emmy-winning telepic *Recount*.
