Sacha Noam Baron Cohen (born 13 October 1971) is an English stand-up comedian, actor, writer, voice artist, and comedian. He is most widely known for his portrayal of three unorthodox fictional characters: Ali G, Borat, and Brüno. In his routines, Baron Cohen's characters interact with unsuspecting people who do not realize they are being set up for comic situations and self-revealing ridicule.

Baron Cohen's work has been recognised with several Emmy nominations, an Oscar nomination for Best Adapted Screenplay, a BAFTA award, and a Golden Globe for Best Actor for his work in the feature film *Borat: Cultural Learnings of America for Make Benefit Glorious Nation of Kazakhstan*. After the release of the movie *Borat*, Baron Cohen stated that because the public had become too familiar with the characters, he would retire Borat and Ali G. Similarly, after the release of *Brüno*, he has stated he would also retire the title character.
