

Grand Prize: PS3 Game

First Prizes:
Runner-Up:

Injustice: Gods Among Us is a Fighting game that blends classic Arcade style gameplay mechanics with an intriguing storyline that pits classic DC Comics characters against each other in unique combinations (hero vs. hero, villain vs. villain, etc.). The game is developed by NetherRealm Studios, and Ed Boon, of Mortal Kombat fame. Players can expect over-the-top action that is suitable for players of most ages, and a single-player storyline that provides the background for the unique character match-ups possible. Addition features include: more than 20 DC Comics heroes and villains, a variety of different attack levels, unique attacks for each character, multiplayer support, and more.
