R

Parkland weaves together the perspectives of a handful of ordinary individuals suddenly thrust into extraordinary circumstances: the young doctors and nurses at Parkland Hospital; Dallas's chief of the Secret Service; an unwitting cameraman who captured what became the most famous home movie in history; the FBI agents who were visited by Lee Harvey Oswald before the shooting; the brother of

Lee Harvey Oswald, left to deal with his shattered family; and JFK's security team, witnesses to both the president's death and Vice President Lyndon Johnson's rise to power over a nation whose innocence was forever altered.
