R

Language including sexual references, and for drug material.

August: Osage County tells the dark, hilarious and deeply touching story of the strong-willed women of the Weston family, whose lives have diverged until a family crisis brings them back to the Midwest house they grew up in, and to the dysfunctional woman who raised them. After making its Broadway debut in December 2007 and premiering at Chicago's legendary Steppenwolf Theatre, it continued with a successful international run.
