Arnold Schwarzenegger stars in the pulse-pounding action film Sabotage, from the director of End of Watch and the writer of Training Day. When DEA task force leader Breacher Wharton (Schwarzenegger) storms a heavily armed cartel safe house, rogue members of his team use it as a

cover to steal \$10 million in cash. But just when they think their secret is safe, agents are killed off one-by-one, and everyone is a suspect, including the squad itself. Co-starring Sam Worthington, Olivia Williams, Terrence Howard, Joe Manganiello, Josh Holloway and Mireille Enos, Sabotage is an explosive tale of betrayal and trust that critics call "a tense, action-packed thrill ride!"
