Dedicated to all of us who have ever been on one of “those” dates, The Dating Guy follows four friends, Mark, Woody, Sam and VJ, on a journey into the minefield of the “Twenty-something” dating scene - that time in your life where school is done, work is whatever, and flying to the Philippines to procure a black market liver for your girlfriend’s dying brother is just an average Tuesday night. When your only responsibility is the rent, devoting all your time to bedding the opposite sex isn’t just possible...it’s mandatory.
