Qohen Leth (2-time Academy Award© winner Christoph Waltz) is a computer genius plagued with existential angst. Eccentric and reclusive, he lives in a burnt-out church, toiling on a top-secret project personally assigned by Management (Matt Damon) to discover the meaning of life. If there is one. Witness a vision of the techno-philosophical future from Terry Gilliam, the visionary director of BRAZIL, 12 MONKEYS, and FEAR AND LOATHING IN LAS VEGAS, also starring Tilda Swinton, David Thewlis, and Melanie Thierry.
