The Electro-Lights was formed as a duo band mid-2012. Emerging from many different styles of music Oliver Meacham and Samuel Mahler came together and formed something truly different. From the blues and rock 'n' roll roots of Mississippi, this band has had opportunities to show off for a variety of crowds. Since the creation of The Electro-Lights, they have performed with a wide variety of bands such as The Offspring, Smashing Pumpkins, One Republic, Shinedown, The Wallflowers, Wiz Khalifa and Awolnation.
