some violence and action

After Bella (Kristen Stewart) recovers from the vampire attack that almost claimed her life, she looks to celebrate her birthday with Edward (Robert Pattinson) and his family. However, a minor accident during the festivities results in Bella's blood being shed, a sight that proves too intense for the Cullens, who decide to leave the town of Forks, Washington, for Bella and Edward's sake. Initially heartbroken, Bella finds a form of comfort in reckless living, as well as an even-closer friendship with Jacob Black. Danger in different forms awaits.
