Strong brutal violence throughout, grisly images, some graphic sexual content, nudity and pervasive language

Nicolas Cage headlines this high-octane 3D thriller about a convicted felon who breaks out of prison to prevent the cult that murdered his daughter from sacrificing his infant granddaughter on the night of the full moon. With just three days to go before the ritual killing, Milton crosses paths with knockout waitress Piper, who agrees to help him by stealing her ex-boyfriend's mean, cherry-red muscle machine. Between that high-performance car and Milton's own black '71 Challenger, they may have a shot at taking down the cult and saving his granddaughter's life. But charismatic cult leader Jonah King isn't running scared, because when hell is unleashed on Earth, he will be the most powerful man alive. Unfortunately for Milton, the cops are quickly closing in, and a savage serial killer known only as "The Accountant" is looking to have some bloody fun on the open roads. With each passing minute, Milton's last shot at redemption is fading, so he teams up with Piper to defeat

Jonah's legions of loyal disciples, avenge the death of his daughter, and prevent the crazed cult leader from plunging the entire world into infernal darkness.
