some mild rude humor and action

Scooby-Doo director Raja Gosnell takes the helm for this 3D live action/CGI comedy based on the popular characters created by Belgian cartoonist Peyo (aka Pierre Culliford). In their race to escape the malevolent wizard Gargamel, the little blue forest dwellers find themselves suddenly transported to Central Park. Now stuck in a world populated by towering giants, the Smurfs must find a way to elude Gargamel, and find a way back to the village they call home. Paul Reubens provides the voice of "Jokey" Smurf in a film also featuring Hank Azaria, George Lopez, Fred Armisen, Anton Yelchin, Sofia Vergara, Neil Patrick Harris, Jonathan Winters, and Katy Perry.
