What about the world of Tron? I think it'd be fascinating place to visit. Good list, though. Little Monsters freaked me out as a kid but it'd definitely be on my list as well.

I would watch the hell out of a Big Lebowski vs. King Pin movie.

The man was an inspiration to us all. He will be greatly missed.

If they can handle everyone's screen time properly I think we'll be alright with so many characters. I think I stand for everyone when I say that no matter who Dinklage plays, he'll be fantastic.

I think Hollywood definitely needs to rethink how
